DENISE COTE, District Judge:

An Order of November 25, 2020 granted the request of plaintiffs Signify North American Corporation and Signify Holding B.V. ("Signify") to restrict the briefing on claim construction to eleven terms. The Order denied defendant Axis Lighting Inc.'s ("Axis") request for an expansion of page limits for its opposing claim construction brief.

On December 9, Axis filed a motion for clarification of the Order of November 25 regarding the specific eleven terms to which the Order referred. Axis also filed a motion for reconsideration of the denial of its request to increase the page limit on claim construction and the grant of Signify's request to limit claim construction to eleven terms. It is hereby

ORDERED that the Order of November 25 referred to the

eleven terms identified by Signify in its letter of November 23 to the Court.

IT IS FURTHER ORDERED that Axis' motion for reconsideration of the denial of its request to increase the page limit on claim construction and the grant of Signify's request to limit claim construction to eleven terms is denied.
